Materials & Preparation

- Printable: print double-side
- White or coloured paper x 1 piece
- Cut each character such that the radical is separated
- Control of error: Differ the cutting strokes so that each puzzle piece is unique

Presentation

1. Choose one character. Show it to the child and read it.
2. Separate the puzzle into its 2 components and read them.
3. Join them again and read the character.
4. Flip it behind to check the pronunciation in hanyu pinyin.
5. Choose another character to read.
6. Invite the child to try.

Variation

1. Shuffle the puzzle pieces. Then piece them together and read.

Control Of Error

- Puzzle pieces match. Turn behind to check the hanyu pinyin.
